Membership Application – 2008

The Community Character Coalition of Elk Grove welcomes all who subscribe to the organization's vision, mission and values.

Vision: To create a model community where the quality of life is supported by core Ethical values translated into good character practices, which are taught, promoted and recognized throughout the Elk Grove Village community.

Mission: To identify, link and mobilize community assets and resources to create a better quality of life for those who live and work in the Elk Grove Village community.

Values: Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship.

The Coalition offers two types of membership, both at no cost to the individual or organization.

Individual membership is established upon the annual completion of a Board Member application form. An individual member may also be a designated representative of an organization or business. These members usually attend our monthly meetings and participate in our activities in the community.

Associate Members are those individuals or groups who support our vision, mission and values, but do not wish to be voting members or cannot regularly attend board meetings of this organization. These individuals or groups annually complete an application form indicating desire to receive information about the organization's work and activities. Associate Members are encouraged to donate their ideas, time or other resources to the organization.
